

Since our first meeting in March of 2007, the Millbrae Lions Leo's Club has come a long way. I am so proud and honored to be in on the ground floor with Lion Doug Callahan who spearheaded the re-activation of our Leo Club after a twenty plus year dormancy. I know the young men and women of the Millbrae Lions Leo Club have worked diligently to be recognized by all as the top youth organizations in our community and in our Lions District.

Our Leo's have gained valuable skills in leadership, community service, and fellowship that will remain with them throughout their lives. Our Leo's have proven that the youth of today can make a difference in our community and society.

A big "thank you" to our Leo Chairperson, Lion Doug Callahan for his time and dedication in molding our Leo organization to what it is today. Also, "thank you" to our parent advisors, Lion Calvin Chin, Lion Wayne Lee and Andy Lee for their mentorship rolls by taking time to guide the youth of our community and getting involved with the Leo's. We must also recognize our Leo members for their dedication to community awareness and service.

In these difficult and challenging times, it is our duty to ensure our youth have every opportunity to develop into intelligent, motivated leaders that will be able to meet the future needs of our community and country.

Thank you and "May the Force Be with you"

Lion John Muniz

Millbrae Lions Club Past President 2007-2008

Millbrae Historical Society President

Worldwide, there are more than 5,700 Leos clubs. A total of 144,000 young people in 141 countries are proud to serve others in their local communities and to call themselves **LEOs**.

## **Leadership**

## **Experience**

## **Opportunity**

In Lions District 4-C4 (San Francisco to Palo Alto), there is **one** Leos Club that continues to be the benchmark for all Leos Clubs to follow: **Your Millbrae Leos Club!!**

Under the visionary guidance of **Lion/Leo Chair Doug Callahan** and with the dedicated support of the Leos Advisors: **Lion PP/Leo Treasurer John Muniz, Lion Bulletin Editor Wayne Lee** and Parent Booster **Andy Lee**, the Millbrae Leos have thrived during the past 3 years since it's "re-birth" in March 2007.

The City and Community of Millbrae have and will continue to benefit from the dedicated efforts from our excellent Millbrae Leos. These young women and men have demonstrated they can make a difference in today's challenging and difficult environment.

During this past year (2009-10), we've seen our Millbrae Leos Leaders and members evolve and grow to "own" their club, where they guide the direction of their club.

We would like to **Thank Leo 2009-10 President Jaclyn Chang and her Board of Directors** for their dedication and leadership to our Leos club.

Many of them will move onto college, enjoying new **Experiences**, developing new **Opportunities** and continue to demonstrate the **Leadership** to make a difference in our country! Their future looks very bright and we want them to remember that their Leos friends at Millbrae are rooting them for continued success! We hope they will continue to come back and visit us share stories and learn how their young friends have progressed.

The Millbrae Leos leadership torch has been passed onto **2010-11 Leo President Alex Lee and his Board of Directors**. We look forward to their leadership, following the roadmap of success laid out by their predecessors.

It has been and will continue to be an honor to work with young community leaders, our Millbrae Leos!

I look forward to many exciting years to come!
